

Legal base and purpose of data processing

The legal basis for data processing is, firstly, the implementation of the contract between you and Dotpay sp. z o. o. (provision of a one-off payment service), and its implementation without this data is impossible. Secondly, the provisions of the generally applicable law impose on Dotpay sp. z o.o., as a national payment institution, the right and obligation to process your data to counteract money laundering and financing terrorism (Articles 8-10 of the Act on counteracting money laundering and financing of terrorism) and to prevent or detect fraud (Article 10 of the Law on Payment Services).

The period of data storage

Your data will be stored and processed no longer than it is necessary to achieve the above statutory goals and obligations.

Access to the data

You have the right to demand from the Administrator access to their data, rectification, transfer and deletion and limitation of data processing, with the exception that deletion or limitation is possible only if it does not violate the above-mentioned obligations of Dotpay sp. z o.o.

Transferring data to other recipients

In order to perform the contract and only to the extent necessary, Dotpay sp. z o. o. will transfer your personal data to other administrators, depending on the chosen payment method, be it to banks, card organizations, acquirers, entities operating payment systems, etc.

The right to lodge a complaint

In the event of objections regarding the processing of data, you have the right to lodge a complaint with the President of the Office for Personal Data Protection (Prezesa Urzędu Ochrony Danych Osobowych).
